

Ashwin C Kocheril

Developer I – Software Engineering

Mob: 8590379641 | Email: 249440@ust.com | UID: 249440

Key Skills

- Java
- SpringBoot
- MySQL
- Git
- JavaScript
- HTML/CSS

Internships and Projects

- Aumento: Software Development Intern
- C-DAC Knowledge Resource Centre: Electronics Engineer Trainee
- Hybrid Electric Scooter
- Daily event tracker
- Arduino based smart walking stick.

Certifications

- **TechnoTurf Certification:** Java, Spring, SQL, and Front-End Framework certification
- Cloud Computing
- PLC S7 1200/1500 V14 - SIEMENS
- Python

Notable Accomplishments

- LIC Student of the year
- Electric Vehicle Hackathon

Professional Summary

Highly motivated and skilled Java Full Stack Developer fresher with expertise in Java, Spring Boot, Angular, and MySQL. Proficient in Spring Boot framework, including dependency injection, MVC architecture, and Spring Data JPA. Experienced in developing RESTful APIs. Skilled in Angular framework and TypeScript, with hands-on experience in responsive web application development. Proficiency in HTML, CSS, and JavaScript for front-end development. Strong problem-solving and analytical skills, with the ability to identify issues, debug code, and propose effective solutions. Excellent communication and collaboration abilities. I am committed to continuous learning and staying updated with industry trends.

Academic Profile (Highest Qualification)

Qualification: B.Tech (2018-2022)

Branch: Electrical and Electronics Engineering

College: Muthoot Institute of Technology and Science

Work experience

Developer 1 – Software Engineering

March 2022-Present

- Successfully completed a rigorous and immersive 6-month training program at UST as a trainee, specializing in Java Full Stack Development (FSD).
- Throughout the program, I gained invaluable practical experience and underwent comprehensive training to acquire the necessary skills for the field.
